

## ***Registration Tax Type Activity for the Month of XXX (Report 061)***

### **Overview**

This report lists monthly business tax registration activity, such as additions, changes, and closures.

This report replaces STARS Report Number: TXPRGTA(1).

### **Purpose and Users**

This report is reviewed by TAX and the localities to see which businesses have had the following registration actions taken within the month:

- Added (New registration)
- Changed (A change in business location)
- Closed (Business closed with a “ELD”)
- Re-open (Business has been closed, but has been re-opened under the same Business Account Number)

The report is used by:

- TAX Management
- TAX Registration Unit
- Commissioners of the Revenue
- Treasurers

### **Frequency**

Monthly

### **Report Format**

The report is divided into two sections:

- Monthly Registration Tax Type Activity For Locality
- Grand Totals (for all business tax type activity for all localities)

**Registration Tax Type Activity Report Section 1**

Section 1 of this report lists registration activity for only Sales and Corporate Income taxes for a specific month and locality. Localities can view only the information pertaining to businesses in their locality.

The information in section 1 is sorted by tax type (Sales or Corporate Income). The illustration below is an example of the Registration Tax Type Activity Report Section 1.

<b>Report ID: 061</b>		<b>Department of Taxation</b>					<b>Page 1</b>

The table below identifies the section 1 columns on the Registration Tax Type Activity Report.

<b>Columns</b>	<b>Description</b>
For Locality	Name and five-digit FIPS Code of the locality for which the report was generated.
For the month of	Specific month for which the report was generated.
Tax Type	Tax type of the businesses for which registration information was added or updated (i.e., Sales or Corporate).
External ID	Federal Employer Identification Number (FEIN) of the Sales or Corporate Income business for which registration information was added or updated.
Account Number	Fifteen-digit account number of the business for which registration information was added or updated.
Legal/Trading As Name	Legal and Trading As Name associated with the business's Account Number.
Physical/Mailing Address	Physical address of the business. If no business location address is stored in the system, the primary mailing address is used.
Transaction Type	Type of registration activity that occurred on the account: Added, Closed, Changed, or Re-opened. Changed is listed only when the business address changes.
Transaction Date	Date the registration activity occurred on the account.
BLD	Beginning Liability Date: date the business account was opened. This should only be displayed on added accounts.
ELD	Ending Liability Date: date the business account was closed. This should only be displayed on closed accounts.

## Registration Tax Type Activity Report Section 2

Section 2 of this report lists grand totals for all business tax type registration activities for all localities.

The information in section 2 is sorted by tax type and registration activity type. The illustration below is an example of the Registration Tax Type Activity Report Section 2.
